**250 Hours—Bronze Pin**-Kermit Schlameous

**1000 Hours—Gold Pin**—Tom Morris

### **Congratulations All!**

Tom requests that you turn in your hours on time so that he has time to get the recertification pins from the state, before the monthly meetings.

**Jerry Eppner** reported a balance of \$3307.10. Seventy percent of the chapter has paid their dues. Please pay Jerry if you haven't already submitted your dues. We have a positive cash flow at the present time, but need the dues to cover chapter expenses during 2007.

**Migration Celebration:** Torry Tvedt reminded the membership about the upcoming Migration Celebration, April 13-15. Some of the activities could use more help. Please contact Tory if you can help out. Bake goods are also needed for the bake sale. Contact Torry or Donna Jablecki or just bring items to the refuge on Saturday morning.

**INEOS:** Carl Dodson asked for help with the INEOS classes on Friday, April 13, because of conflicts with Migration Celebration activities. Please contact Carl if you can help this month.

John Boettiger reminded the membership about the lectures that will be given during the Migration Celebration. These lectures can be counted as Advanced Training time.

There being no further business, Justina introduced our speaker for the advanced training. Marc Klym is the director of Texas Wildscapes and Backyard Habitat program for the Texas Parks and Wildlife. The topic of Marc's program was "Creating Wildscapes". Those attending the class receive credit for **two hours** of advanced training.

Respectively submitted:  
Barbara Burkhardt  
Secretary
