

Master Naturalist Outreach Summer Library Program

By Mary Helen Israel

Do you like kids? Well, of course you do or you wouldn't be a Texas Master Naturalist! Here's the opportunity of a lifetime.

Every summer the Brazoria County Library System has great programs for kids, and we get to be a part of that. Here's the schedule:

- June: "Reptiles"
- July: "Wild in the City," sponsored by Texas Parks & Wildlife Department.

In July, we'll teach these kids (and there will be many kids) about wild animals that we can find in our cities. They learn about scat, aka poop, animal pelts, footprints, skulls, etc., and how to identify the animals that these things belong to.

We have enough volunteers for the June program. But we still need six to eight volunteers per session for the July "Wild in the City" program. Carpooling is encouraged. Each program runs about an hour. They're all great fun!. Plus, we get the opportunity to see all the great libraries available to us.

We will have the signup sheet at the general meeting on June 13, so bring your calendars and plan to join us for a good time.

To volunteer by phone or email:

This event is approved for Volunteer Time by TMN-COT.

Timesheet code: "OTHER."
