

CLASSROOM 2 COMMUNITY

Environmental Action
Educator Workshops

FREE WORKSHOP SERIES STARTING SUMMER 2024 - LIMITED SPOTS AVAILABLE!

*Are you a formal or informal educator working with high school students?
Looking for ways to teach environmental content while also meeting new TEKS requirements?
Want to design impactful projects but feel limited by time and resources?*

This is the workshop for you!

- 🌍 One day in-person workshop for hands-on learning
 - **June 6: Dallas/Fort Worth** (AgriLife Center), **June 13: San Marcos** (Spring Lake Education Facility)
- 🌍 Regular meetings and support through Fall 2024 semester
- 🌍 Connections with community partners to support your classroom projects
- 🌍 Receive 40 hours of CEU/PD credit hours, classroom materials, project supplies, TEKS-aligned curriculum and more

C2C Workshops are led by Texas A&M AgriLife Research and the Texas Water Resources Institute, and supported by a grant from National Geographic Society
