

AT -Generally Approved-Do-Not-Have-To-Ask List

TMN Tuesdays

<https://txmn.tamu.edu/tmntuesdays/>
(Report time under AT: TMN Tuesday)

Texas Master Naturalist Annual Meeting Training Sessions

(Report time under AT: TMN State Meeting)

NOTE: *ONLY* TMN Tuesday and, when offered virtually, the Texas Master Naturalist Annual Meeting Training Sessions may be viewed as recordings for AT credit. All other programs must be viewed live or have special arrangements for Q&A with the speaker in order to receive AT credit

Texas Nature Trackers

To sign up for TNT, go to that page, select “follow” to see posts of upcoming live events. <https://www.facebook.com/texasnaturetrackers>

If you sign up, you will receive notices of the live events. Those live events called “TNT Live from the Field” will count for AT in ETCMN because they have Q & A.

Past live events are under the “Video” tab, the link being: <https://www.facebook.com/texasnaturetrackers/videos>. These could be watched but not counted toward AT as there is no opportunity at this point for question/answer.

TNT Live from the Field events are 1 hour of AT each as long as they are watched live.

(Report time under AT: Miscellaneous Approved Meetings and Lectures)

Texas Waters Specialist

—Webinars, group discussion and group curriculum study all count as AT for obtaining the specialist certification. Service is VSH.

Go to:

tpwd.texas.gov/education/water-education/texaswatersprogram/texaswatersspecialist for access to the curriculum, webinar sign up, and certification requirements.

(Report time under AT: TX Waters Certification Training)

TEXAS WILDLIFE ASSOCIATION SERIES—

Webinars are approved for 1 AT in ETCMN. Remember, archived webinars do NOT count for AT.

Wild at Work: A Stewardship Series

is a webinar series from Texas Wildlife Association which covers all things wildlife and land stewardship. These quarterly seminars feature a variety of guest speakers to address topics of interest for stewards of our open spaces and native species. These free webinars, held during the work week at noon, are a perfect way to learn during your lunch break. For AT credit need to be viewed live. <https://www.texas-wildlife.org/waw/>
(Report time under AT: Miscellaneous Approved Meetings and Lectures)

NPSOT Monthly Meetings – There are three chapters serving our catchment: The Tyler Chapter (meeting at the Tyler Nature Center but inactive as we start 2026), the Lakes and Pines Chapter (meeting in Mineola) and the Northeast Texas Chapter (meeting in Longview). Check the main website (<https://www.npsot.org/>) and follow links for the individual chapter information. 1AT

(Report time under AT: NPSOT Seminars/Workshops (Native Plant Society of Texas))

ETCMN monthly Chapter meetings virtually or in person: 1 hr AT
(Report time under AT: Chapter Monthly Meeting- East Texas)

TEXAS BLACK BEAR ALLIANCE holds an annual meeting that can be attended remotely or in person <https://texasblackbear.weebly.com/>
(Report time under AT: Miscellaneous Approved Meetings and Lectures)

Tyler Audubon meetings (some but not all topics meet AT criteria- needs to apply to East Texas)

<https://www.tyleraudubon.org/>

(Report time under AT: Audubon Lectures)

Northeast Texas Field Ornithologists (NETFO) meetings (Longview, TX)
(Topic needs to apply to East Texas)

<https://netfo.org/>

(Report time under AT: NETFO lectures)

All **TPWD** and most Texas A&M **AgriLife Extension** programs (such as Environmental and Natural Resource programs and topics such as Integrated Pest Management) are approved for AT.

(Report time as AT: TPWD training classes at TPWD facilities or as AT: AgriLife Seminars).

Master Gardener events need to be individually submitted.

Most AT offerings presented in the State Listserve and Invaders of Texas programs are pre-approved for AT as long as they relate in some way to East Texas. Webinars must be attended live to count. No archived webinars are approved except where specifically approved by State. (Report time as AT: Miscellaneous Approved Meetings and Lectures)
