Dear Ms. Sipocz,

Congratulations! In recognition of your tremendous efforts on behalf of our city, Keep Houston Beautiful is honored to inform you that **Sheldon Lake State Park Prairie Wetland Restoration** has been selected to receive the **Proud Partner Award** in the 2015 Mayor's Proud Partners program.

To celebrate this achievement, we invite you to join us at the **31st Annual Mayor's Proud Partners Luncheon** on **Monday, October 26, 2015** at the Hilton Americas - Houston. The event begins with a pre-ceremony reception for the honorees at 11:15 a.m., followed by the awards presentation and luncheon at 12:00 noon. Business attire is appropriate.

To help make the ceremony memorable, your project will be highlighted in a special event PowerPoint presentation and Mayor Annise Parker will personally present the award. Your award-winning project will be featured in the event invitation and program as well.

If digital photographs were not included with your entry, please submit 2-5 color digital photographs (jpeg file format) of your award-winning activities on CD, thumb drive or e-mail attachment to the Keep Houston Beautiful office no later than **Monday, September 14, 2015** to ensure inclusion in the event PowerPoint presentation.

Please send the following items so that they are received at the Keep Houston Beautiful office no later than **Monday, September 14, 2015**:

- A completed copy of the enclosed form noting the name (first and last name) of the ONE representative who will be accepting the award.
- A guest list of individuals and/or organizations you would like to receive an electronic invitation. Please include the organization name (if applicable), first and last name of individual, title and e-mail address. Table sponsorship packages are also available.

Please do not hesitate to contact me if you have questions about providing the requested material(s) listed above. Again, congratulations on this well-earned achievement. We look forward to seeing you at this year's luncheon.

Sincerely,

Robin Blut, Executive Director
