I expect to attend at least 40 hours of classroom and field training, as shown on the attached schedule. I understand that in exchange for the training made possible through the Gideon Lincecum Chapter of the Texas Master Naturalist Program, I will volunteer at least 40 hours of my time toward approved projects and complete 8 hours of advanced training within 15 months. At that time I will become a Certified Texas Master Naturalist. I also understand that to maintain certification, I will complete 40 hours of volunteer service and 8 hours of advanced training each year thereafter.
