## **6. CHAPTER PROJECTS**

**6.1 New projects** – A new or expanded volunteer service (VS) project may be proposed by any active chapter member, following the instructions provided by the VS projects director and coordinated with the Volunteer Management System director to confirm availability of VMS categories.

**6.2 Travel time** – Members may include a reasonable, typical amount of travel time when recording volunteer service hours. Travel time should not include side trips for personal activities. **Travel time to and from a location of volunteer service (VS), including chapter meetings, within our ecoregion (i.e., Brewster, Presidio, and Jeff Davis Counties, Balmorea State Park and area, TNC Independence Creek Preserve) can be reported with volunteer service hours. Travel to service projects outside of the chapter's territory but within the chapter's trained ecoregion may be approved at the board's discretion. Travel outside of the chapter's trained ecoregion needs to be critically reviewed and approved at a board level and following criteria for service project approval.
