1. Your membership plans for 2022: *(check one)*

I plan to be an active Certified Master Naturalist volunteer this year by completing 40 hours of volunteer service and 8 hours of advanced training, as well as paying dues and having a current background check on file.

I would like to remain an active member of the AAMN chapter by paying dues, having a current background check, and reporting at least one volunteer service hour; but at this time do not plan to be "certified" (i.e., complete 40 hours of volunteer service and 8 hours of advanced training).

I do not plan to be an active member this year and do not plan to pay the annual dues.

I understand this will make me an "inactive" member and that I can become an active member in the future by paying dues, having a current background check on file, having a current liability form on file, and reporting at least one volunteer service hour. Keep me on your email list
