

GRAYSON COUNTY *Conservation Days*

VOLUNTEER WORKSHOP

Why attend a workshop?

Conservation Days is open to students in the 3rd, 4th, and 5th grade across Grayson County. In 2023, we reach almost 1,200 students with 15 volunteers - inspire to do more education!

Conservation Workshops

Let us train you on the session basics! Pick on of the following workshops to attend and gain important insight on each educational concept.

Dates of workshops:

- Thursday, September 28th - 9:00 am to 1:30 p.m.
- Saturday, October 28th - 9:00 am to 1:30 p.m.

Hands on Education

You will have hands on learning of all educational sessions and be able to rank which concepts you would like to present.

- Soil erosion - stream trailer - pre event video session
- Differentiating types of soil - silt, sand, and clay
- Food Webs - ecosystems
- Journey of a rain drop - Water Cycle
- Butterfly Migration - adaptations
- Water filtration
- Wildlife and Fisheries - rules and regulations
