

**El Camino Real Chapter of the Texas Master Naturalist™ program  
New Student Information Form**

Name as you want it on your certificate \_\_\_\_\_

Name as you want it on a nametag \_\_\_\_\_

Shirt Size (S, M, L, XL, XXL) \_\_\_\_\_

Describe why you are interested in the Texas Master Naturalist™ Volunteer Program?

---

---

---

Indicate any volunteer organizations of which you are a member, or have volunteered time for in the last two years. Indicate the average number of hours you have volunteered for each organization on a monthly basis?

---

---

---

The Texas Master Naturalist program activities are coordinated by Texas AgriLife Extension Service and Texas Parks and Wildlife. Texas Master Naturalist programs serve all people regardless of socioeconomic level, race, color, sex, religion, disability or national origin.

Please note your skills or interests that would be helpful to the Texas Master Naturalist Program. (Example include computer, photography, public speaker, teaching, specific knowledge, etc. Please include any relevant training or education you have received relative to natural resources.)
