Upcoming Meetings:

Communications , Don Travis has posted a link to our new chapter blog on our website. This blog will be edited & maintained by Sue Ann Kendall. Sue Ann asked for short blurbs & nature news be sent to her as well as pictures to post. Sue Ann is an editor so no need to worry about writing things perfectly. She will "clean them up" before posting. This is an approved project & you can receive volunteer time for contributing.

Treasurer, Mke Conner, stated that the treasurer's report has been filed online for audit. 36 members have paid dues & there is a list by the signin sheet where members can check to make sure his/her name is on it. If it should be and it's not, talk to Mike.

Host: Sherri Colley is sick & couldn't be here tonight. Thx to all who brought something to contribute to the meal.

Membership: Lisa Milewski discussed this year's recertification pins & told us that they are late getting them this year but they are coming. (Marsha May has recently retired & Olivia Schmidt will be handling this now.) Cathy Johnson has aquired the hours to get her recertification pin this year & it is going to be a Painted Bunting. Lisa announced not to hesitate asking for help w/documenting your time as she also gets time for assisting you. So it's a win-win. Also, hours must be entered within 45 days of activity or Lisa must enter for you. Travel time is not allowed for AT or administrative work. Membership dues of \$20 are due January 1-March 31st or membership suspended until dues are paid.
