

Meeting: Committee for the Creation of a Native Flower Brochure

Date: August 9, 2019

Location: Lucy Hill Patterson Library, Rockdale, Texas

Members Present: Joyce Conner, John Pruet, Linda Jo Conn, Jackie Thornton

Presiding Chairperson: Ann Collins

Beginning Time: 10 a.m. Ending Time: 12:00 Noon

Presiding Chairperson presented the following agenda for the meeting (in bold print):

1. Brochure printing information report from Joyce Conner. Joyce reported that a request was made to the Board of Directors of the El Camino Real Chapter of the Master Naturalist for a \$150. donation to help with brochure printing expenses. It is understood that the Board has approved the amount, but additional action may be required. She reported that the Trail Association has committed \$75. Discussion followed on printing resources. Vista Printing is one source recommended and it will be discussed with Sue Ann Kendall by Joyce.
2. Plants to be included in the brochure. It was decided by the committee that Linda Jo Conn and Ann Collins will make the decisions on what plants will be included. There will be a limit of 30 flowers. They will also include pertinent information about each plant. Sue Ann Kendall will be consulted on placement of the pictures in the brochure. Joyce Conner will continue to update the data base for future use.
3. Disclaimer for medical uses. John Pruet will draft a disclaimer statement to be included in the brochure.
4. Map Reduction. Joyce Conner and Mike Conner will draft a map with a consultation with Steven Gonzales. They will also inquire what logos, etc. should be included on the map and if permission has to be granted from the National Park Service.
5. Introduction. John Pruet will draft an introduction to the brochure. It was decided "wildflowers" would be used in the brochure in place of "plants".
6. Agenda included objectives for next meeting. Mock up of brochure , discussion, and edits.
7. Date for next meeting. Friday, August 16, 2019 Lucy Hill Patterson Library Rockdale, Texas at 10:00 a.m.
