

Album cont'd

7 Here's a nice looking heap. Worth a try.

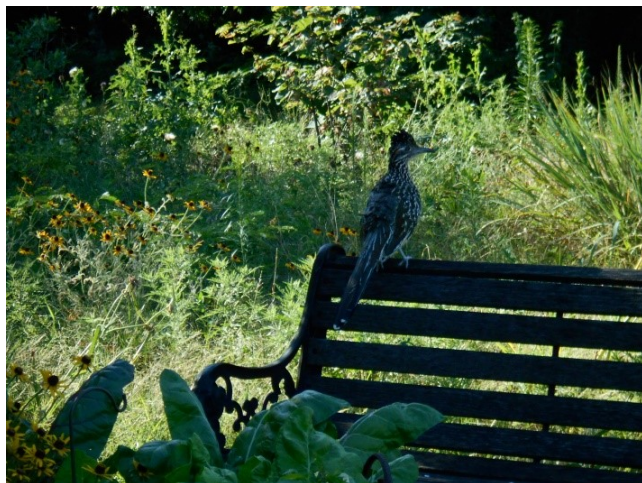

8 Let me see. A lizard or two maybe, topped off with a few insects.

9 Looks like a good place to wet my whistle & get my feet wet.

10 Verry satisfying. Must come back again and bring the family.

11 Aaah! Living the life of a Roadrunner ain't so bad. Good chow, cool shade, nice neighborhood.

12 See you later—more adventures to be had, but I'll be back.

Field Notes in Focus

*Giant swallowtail (Papilio cresphontes) —
from the gallery of Marilyn Blanton*

*Featuring Master Naturalist photographers—
flora and fauna as you see them*

Elm Fork Chapter's "crème de la creme"
