

## **LISA COLE – LEWISVILLE LAKE ENVIRONMENTAL LEARNING AREA**

Lisa Cole, Education Coordinator, has been at Lewisville Lake Environmental Learning Area (LLELA) since 2006, and has over 20 years of experience in designing, planning, and presenting interpretive programming and publications for audiences of all ages. She has spent a lot of time participating in prescribed burns, invasive plant control, bird banding, and ecological research, so she's quite comfortable helping visitors gain a deeper understanding of ecological processes and management of natural areas. Education: Kansas State University, Manhattan, KS— Bachelor of Science degrees in both Wildlife Biology and Public Relations, 1993.
