

Be A Part, Be A Sponsor

Join us for our Texas Master Naturalist Program Annual Meeting to gather, learn and celebrate our 20th Anniversary. This year's event will kick off Friday October 26th and run through the weekend to October 28th, and is being hosted at the Sheraton Georgetown Hotel and Conference Center.

The year's Annual Meeting provides an opportunity for Texas Master Naturalist volunteers from around the state to gather, participate in hands-on educational seminars, and receive all of their Advanced Training requirements for the year within one weekend. It's also an opportunity for program participants and supporters to network, share new ideas/projects, and to learn from different chapters from different regions of the state. This year's meeting will also include day trips and training workshops to many local, state and even national refuges/parks, many of which will focus on the diversity of geography, flora, fauna and history this unique area of Texas so centrally located offers.

Once again this year, we are seeking sponsorships for the Texas Master Naturalist Annual Meeting. In addition to general meeting sponsorships we are also seeking sponsorships for specific events on the agenda such as coffee breaks, evening socials and more. These events allow our meeting to continue to provide participants networking opportunities, team building meetings and a healthy environment for productive educational seminars.

All sponsorships will receive special recognition through conference communication, fliers, announcements and programs. Sponsors may make a general contribution to support and sponsor the TMN Annual Meeting as a whole at any of the following levels:

- Be a Friend = \$150**
- Be an Ecologist = \$300**
- Be a Steward = \$500**
- Be a Conservationist = \$1,000+**
- Be a Naturalist = \$5,000+**
