

Texas Master Naturalist *Be A Part, Be A Sponsor*

20th Annual Meeting

This year's event will mark the Texas Master Naturalist Program's 20th Annual Meeting. Our meeting will be held at the Hilton Dallas/Rockwall Lakefront Hotel overlooking the eastern shores of Lake Ray Hubbard, one of the largest lakes in North Texas. Lake Ray Hubbard is known for its numerous surrounding parks and recreational activities, especially fishing. White and hybrid striped bass, largemouth bass, channel and blue catfish, and white crappie are the predominant sport fish. Though much of the surrounding region has been developed for urban and suburban use, there is no lack of wildlife—migrant and resident birds, mammals, reptiles, fish, and amphibians all call Rockwall their home.

The Annual Meeting provides an opportunity for the Texas Master Naturalist volunteers from around the state to gather, participate in hands-on educational seminars, and receive all of their Advanced Training requirements for the year in one weekend. It's also an opportunity for program participants and supporters to network, share new ideas, and to learn from different chapters in different regions of the state. This year's meeting will also include day trips and training workshops to many local, state and even national wildlife refuges/parks, many of which will focus on the diversity of our Texas urban environments.

Once again this year, we are seeking sponsorships for the Texas Master Naturalist 20th Annual Meeting. In addition to general meeting sponsorships we are also seeking sponsorships for specific events on the agenda such as coffee breaks, evening socials, and more. These events allow our meeting to continue to provide participants networking opportunities, team building meetings and a healthy environment for productive educational seminars.

All sponsorships will receive special recognition through conference communication, fliers, announcements and programs. Sponsors may make a general contribution to support and sponsor the TMN Annual Meeting as a whole at any of the following levels:

Be a Friend = \$150

Be an Ecologist = \$300

Be a Steward = \$500

Be a Conservationist = \$1,000+

Be a Naturalist = \$5,000+

For more information contact Mary Pearl Meuth at (mpmeuth@tamu.edu) or (979) 845-7294.

Be A Texas Master Naturalist Annual Meeting Sponsor

Recognition for our Texas Master Naturalist Annual Meeting Sponsors will include the following at each level of sponsorship: Recognition for this sponsorship level will include the following:

Friend = \$150

- › Posted in agenda booklet and on rotating slideshow
- › Recognition given during awards ceremony

Ecologist = \$300

- › Posted in agenda booklet and on rotating slideshow
- › Posted in conference hallway signs
- › Recognition given during awards ceremony

Steward = \$500

- › Posted in agenda booklet and on rotating slideshow
- › Posted in banquet room signs and conference hallway signs
- › Posted as host for one conference seminar room
- › Recognition given during awards ceremony

Conservationist = \$1,000+

- › Posted in agenda booklet and on rotating slideshow
- › Posted in banquet room signs and conference hallway signs
- › Recognition given during awards ceremony
- › Reserved table at Annual Meeting awards dinner
- › Inclusion of collateral materials in attendee registration bags

Naturalist = \$5,000+

- › All recognition as given above
- › Vendor table given without charge upon request

To be a sponsor, please send the following information to the Texas Master Naturalist state office, Mary Pearl Meuth (mpmeuth@tamu.edu):

Name of Company/Organization _____

Address _____

Contact Name _____

Phone _____
