

Be a Part, Be a Vendor!

Put it on your calendar now as we prepare for our 21st Texas Master Naturalist Program Annual Meeting, an event to gather, learn and celebrate another year of the Texas Master Naturalist Program. We'll be hosting this year's meeting at the Omni Houston Westside the weekend of October 16th - 18th, 2020 with plenty of activities both pre & post event! Join us for a long weekend of adventures in one of the most ecologically diverse major urban areas in the country.

The Annual Meeting provides an opportunity for the Texas Master Naturalist volunteers from around the state to gather, participate in hands-on educational seminars, and receive all of their Advanced Training requirements for the year in one weekend. It's also an opportunity for program participants and supporters to network, share new ideas, and to learn from different chapters in different regions of the state.

We are once again hosting our event with the opportunity to invite a few key vendors and exhibitors with naturalist related goods, artwork, projects, educational materials, plants, and messages from partnership organizations. The vendor booths will be located throughout the main conference hallway at the Omni Houston Westside (see Page 3). Vendors will receive one 6' table and two chairs. Electricity and other display needs can be discussed if needed.

Vendor set up will be on **Friday, October 16th** from 10am to noon with take down and move out on **Sunday, October 18th** starting at 10am. There will be ample time throughout the conference for attendees to browse the vendor areas, with breaks and socials scheduled to be held in the vendor space. We kindly ask that all vendors donate an item for the Silent Auction. The money raised from the silent auction will be used to pay for scholarships for Master Naturalists from each chapter to be able to attend our conference the following year. The mission of the Texas Master Naturalist program is to *develop a corps of well-informed volunteers to provide education, outreach, and service dedicated to the beneficial management of natural resources and natural areas within their communities for the State of Texas.*

Vendors will also receive special recognition through the conference programs at time of press. Please have all vendor applications submitted by **September 15th, 2020**. Space may be limited and vendors may be selected by program coordinators based on space. For more information contact Mary Pearl Meuth, at mpmeuth@tamu.edu or (979) 845-7294.

Thank you for your interest in being a part of this celebration and educational event for the Texas Master Naturalist 21st Annual Meeting.
