Is the proposed service project representative of the goals, practices, and teachings of the Texas Master Naturalist Program?

Yes No

How does the project address a pressing naturalist, natural resource management, chapter and/or partner need for meaningful service or resources?

What is the scope of the project in terms of when it would need to be conducted, where, estimated time needed to complete or maintain per month? How many volunteers would be needed?

Is the project within the chapter's service area and ecological training?

Yes No

How does the project allow the chapter to focus and/or create visibility, identity and/or recruitment for the chapter?

How can the project's impact on the community and our natural resources be measured?

Trash Pickup Policy

In general, unless the activity is performed in conjunction with a larger habitat restoration program, trash pick-ups will not be approved as Good Water Chapter Volunteer Service.

Does any trash pick up meet the criteria of being part of a larger habitat restoration program?

Yes No

If no, why should any trash pickup be approved in relation to this project?
