

Good Water Master Naturalist Training Class Application

Classes Start – March 3, 2020

Apply only if you will be able to attend 18 classes mostly from :00- PM. We have attempted to schedule most of the classes on Tuesdays but some will be on Saturdays. Please check the training agenda document on the web site to determine which classes are held on different days and plan your schedule accordingly. **Missed classes must be made up. Do not apply if you will miss more than two classes!** Some classes are held at field sites and require moderate walking. **You must also pass a criminal background check done via the Texas Parks & Wildlife Volunteer Management System to attend the class.**

A husband and wife (or significant other) combination will be offered a combined discount of \$30 if they elect to receive only one Master Naturalist Manual per couple.

A 100% refund will be granted to anyone who elects to withdraw from the program **before** the start of the first class. **Cutoff date for acceptance in this class is February 28, 2020.**

Applicant Information

Name

Explain why you are interested in becoming a Master Naturalist and what you expect to get out of this course

Special skills

List any special skills or knowledge that you have acquired from employment, previous volunteer work, or other activities, including hobbies and education that could benefit our chapter. These do not have to be nature related – examples include wood working, computer skills and graphic design.

Type of volunteer work that would most interest you

The goal of the Master Naturalist program is to create a pool of knowledgeable citizens to educate the public on the natural world and promote environmental stewardship. Which of these areas would you most enjoy working in to fulfill these objectives? Check all of interest.

Educational Programs for children (Kids Day Out, Great outdoors, Project Wild)	<input type="checkbox"/>
Educational Programs for adults (presentations to local organizations, working with new land owners, manning nature related booths at local events, etc.)	<input type="checkbox"/>
