JOIN US! KEEP LAKE LIVINGSTON CLEAN

Volunteer with the Trinity River Authority of Texas, in partnership with FIFA World Cup 2026 Houston, to help keep Lake Livingston clean and healthy. Participants will remove litter and help preserve one of the region's most important water resources.

Volunteers can choose from multiple cleanup sites around the lake, with some locations offering opportunities for participation with your boat or kayak! All supplies will be provided. Volunteers of all ages and experience levels are welcome.

After the cleanup, participants are invited to a volunteer appreciation gathering with food and refreshments at Onalaska City Park from 11 a.m. to 1 p.m. as a thank-you for their hard work.
