

8th
Annual
Event!

October 10, 2026
10 am - 2 pm
Bosque River Nature Center in Stephenville, TX

 **Hooked on Nature!** Cast your curiosity into the wild world of the Cross Timbers and discover the animals, plants, and places that make Texas nature so incredible. Kids can take home their own rod and reel and start their own nature adventure - while supplies last!

 **Explore & Get Up Close with the WILD Stuff!** Walk through a real native prairie and pollinator garden. Touch, explore, and discover the incredible things living right here in our own backyard!

 **Play & Create All Day!** Games, arts and crafts, nature walks, and more. So much to do that even the grown-ups won't want to leave!

 **Meet Real Nature Experts!** Rangers, biologists, and Master Naturalists are ready to share everything they love about Texas nature. Come learn, ask questions, and discover something new!
