President's Report

Kathy Pittman

- Members approved the revisions to the Chapter Operating Handbook; Kathy notified the State and the revised COH was given final approval.
- The next TMN Tuesday (August 8) will be presented by Todd Sink, "Management and Educational Activities for Community Ponds".
- Brookside Village Farmer's Market There is outreach potential for the Chapter in the Pearland area. Kathy scheduled a brainstorming session for Thursday (August 3) at the Pearland East Library, 3:00 p.m. 4:30 p.m. Other potential opportunities will also be considered.
- Kathy reported she would like to purchase an additional TMN tablecloth at a cost of \$93.00, as the Chapter
 has only one (1) tablecloth for use. Discussion considered the budget source and affirmed the request. M.
 Hollenshead noted she would like to pre-order two (2) boxes of textbooks to be picked up at the upcoming
 State meeting as well.
- Reminder that the Annual Meeting will be held at the McAllen Convention Center, October 12 15, 2023, with registration opening August 3.

- Scholarships The Chapter budgeted \$450.00 for scholarship purposes. We will award one (1) full scholarship to a member for whom attending the Annual Meeting would be financially difficult. Such need would be based on the honor system, with no documentation required. The State has also provided each Chapter with a \$100.00 discount on the cost of registration for a member. Names will be drawn from a hat if multiple applications are received. The scholarship payment can be made directly to State. The amount will be refunded if the member does not attend. J. O'Connell mentioned that either the van or truck is available if needed for carpooling to the Annual Meeting. Kathy will notify members of the award via email.
- Carpooling for members who need transportation to monthly meetings was also discussed. Members can
 reach out via the Chapter email account. Kathy will send out an email notice and K. Purvis will include the
 announcement in the upcoming newsletter as well.
- Nominating Committee Kathy canvassed the officers to identify those planning to seek re-election; all
 declared they would run again. M. Dufilho indicated she would not need the help of a nominating committee
 in that case, although other members may seek election as well. Kathy encouraged everyone to look for and
 to advocate for others to consider office in 2025 to keep the Chapter moving forward.
- Directors Kathy canvassed attending directors in the same manner as she did with officers; it appeared all
 would like to continue. K. Purvis mentioned it was necessary for someone to take over the newsletter editor
 duties, as the secretary duties kept her busy and the newsletter timeframe conflicted with outside volunteer
 responsibilities. Ensuing discussion agreed the newsletter publication date could be adjusted. L. Peterson
 noted newsletter hits were down. Kathy stated she would raise this for discussion at the General Meeting.
- New Class Rep Kathy reported Kate will continue working with Melanie and the training team on Mentor assignments. We need to see if anyone in the recent graduating class would be interested in serving as the New Class Representative.

Past President Mickey Dufilho

Mickey addressed the success of the ice cream social and raised discussion about the Board providing breakfast at the upcoming Chapter meeting. She also mentioned some outing ideas that might be of interest to members, including the Lake Jackson planetarium.

Vice-President/Programs

Jimmy Salinas

Paige Breon, Nesting Program Manager Gulf Center for Research Management Texas A&M University, will present this month's AT. Jimmy noted it should be interesting, as they are looking for help in patrolling the area from Follett's Beach to Surfside. No speaker has been scheduled for September yet.

J. O'Connell mentioned a wildlife specialist with the U.S. Fish & Wildlife Service might be available to speak about chronic wasting disease. J. Salinas will follow up on this. Shane Bonnot, Advocacy Director for the Coastal Conservation Association may present a program at the October meeting, but this has not been confirmed.
