

2024 Intern Training Begins in January!!

TP&WD Registration Form
Online Payment Link

2024 Schedule will be posted in December 2023.

We can and WILL accommodate alternate work schedules with evening and Saturday classes.

Interns must complete 40 hours of classroom and field training within 12 months. We offer year-round classes. The required curriculum includes:

Ecological Regions of the Texas Gulf Coast

Flora and Fauna of Our Area

History of Brazoria County

Texas Water Resources & Urban Ecology

Land Stewardship – Rangeland, Forest, Prairies, Wetlands, Aquatic Systems, Geology & Soils

PLUS:

Enrichment Activities to better prepare you for volunteer opportunities! Past Enrichment Activities included:

Art Journaling at the Nash Prairie Preserve

Geology of the Gulf Coast Barrier Islands

Creature Hunt After Dark

Migration Celebration

Spider Biology

The cost of the training for 2024 classes is \$150.00. This covers all training and field trips, the Texas Master Naturalist curriculum book, current year's Chapter dues, criminal background check, tee shirts and name tag. Training Class fee may be paid online by using the above link, or by sending check to the following address:

**Texas Master Naturalist Program
Cradle of Texas Chapter
Texas A&M AgriLife Extension Service
21017 County Road 171
Angleton, TX 77515-8903**

If you have questions or need more information, please contact the Training Director, Melanie Hollenshead, at theladyspath@hotmail.com or (979) 292-5084.
