

Be A Part Of The Texas Master Naturalist 17th Annual Meeting

This year's event will mark the Texas Master Naturalist Program's 17th Annual Meeting and will be the 18th year of the program. This year's meeting will be held on the edge of the East Texas pineywoods, where the pines and the metropolis of Houston meet. La Torretta Lake Resort & Spa on the shores of Lake Conroe, with award winning amenities, a grand conference center and critically acclaimed banquet services, will play host to the Master Naturalists as they engage in educational training opportunities throughout the weekend.

The Annual Meeting provides an opportunity for the Texas Master Naturalist volunteers from around the state to gather, participate in hands-on educational seminars, and receive all of their Advanced Training requirements for the year within one weekend. It's also an opportunity for program participants and supporters to network, share new ideas/projects, and to learn from different chapters from different regions of the state. This year's meeting will also include day trips and training workshops to many local, state and even national wildlife refuges/parks, many of which will focus on the delicate relationship between the urban and the natural.

Once again this year, we are seeking sponsorships for the Texas Master Naturalist 17th Annual Meeting. In addition to general meeting sponsorships we are also seeking sponsorships for specific events on the agenda such as coffee breaks, evening socials and more. These events allow our meeting to continue to provide participants networking opportunities, team building meetings and a healthy environment for productive educational seminars.

All sponsorships will receive special recognition through conference communication, fliers, announcements and programs. Sponsors may make a general contribution to support and sponsor the TMN Annual Meeting as a whole at any of the following levels:

Pine Needle = \$100

Pine Cone = \$250

Seedling = \$500

Longleaf Pine = \$1,000+

Pineywoods Forest = \$5,000+

For more information contact Mary Pearl Meuth at (mpmeuth@tamu.edu) or (979) 845-7294.

Be A Texas Master Naturalist Annual Meeting Sponsor

Recognition for our Texas Master Naturalist Annual Meeting Sponsors will include the following at each level of sponsorship:

Pine Needle = \$100

- › Posted in agenda booklet and on rotating slideshow
- › Recognition given during awards ceremony
